EDUCATION

Multimedia Design & Development

Humber Polytechnic - Toronto , ON

Graduated with Dean's List Honors

August 2021 – June 2024

Flexible Upskilling Network (F.U.N.™) Program

Prepr Foundation - Toronto , ON

3-week training program with hands-on project experience

September 2025 – October 2025

DESIGN PROJECTS

Trainee (UX/UI Designer)

Prepr Foundation, F.U.N Program

September 2025 – October 2025

Achievements/Tasks

- Conceptualized and redesigned an integrated E-commerce Beauty Platform UX App "Ripple".
- Conducted foundational UX research, developing key personas (e.g., "Frustrated Fran" business owner) to validate the market need for a consolidated, automated platform.
- Designed the dedicated Brand Kit feature UI (Logos, Colors, Fonts) to ensure brand voice consistency across all generated marketing assets.
- Developed wireframes and high-fidelity prototypes in Figma for key application screens, including the Dashboard, Product Editor, and the Media/Marketing Editor.

UX/UI designer

Humber Polytechnic

August 2021 – June 2024

Achievements/Tasks

- Redesigned apps to improve usability like "Insomnia Cookies", "Humber Cake Bakery", and "Booster Juice".
- Assisted in developing wireframes, mock-ups, and prototypes for web and mobile applications
- Provided users with an improved app that allows them to view available food/drinks before making a purchase.

Motion Graphics Designer

Humber Polytechnic

August 2021 – June 2024

Achievements/Tasks

- Developed a series of three 15–30 second animations for a "Nintendo Switch product Motion Graphics AD".
- Sketched storyboards and designed style frames using Adobe Illustrator and rendered each in After Effects.
- Exported MP4 renders for each animation and linked each to YouTube.
